IDENTITY (As Used on Label and List) LIFELINE ACCENTS EXTERIOR PERMA-CHINK® SYSTEMS, INC.

Section I

Manufacture's Name		E	Emergency Telephone Number:				
Perma-Chink System	s, Inc.		CHEMTRE	C 1-800-424-9300			
Address (Number, Street, City,	State, and ZIP code) Т	elephone Number	for Information:			
1605 Prosser Road			865-524-73	43			
		C	Date of Preparation				
Knoxville, TN 37914			3/16/2010				
Preparer's Name			Signature of Preparer (optional)				
Sean Gahan							
Section II – Hazardous II	ngredients/Iden	tity Informat	ion				
Hazardous Component (Specifi	c Chemical Identity,	Common Name	(s)				
CAS OSHA / PE			ACGIH TLV	Other Limits	% (optional)		
	#			Recommended			
Ethylene Glycol	107-21-1	50 ppm	100 mg/m ³				
Silicon Dioxide, Crystalline free	112945-52-9	N/A	10 mg/m ³				

Section III – Physical/Chemical Characteristics	
Boiling Point:	Specific Gravity ($H_20 = 1$)
212 °F	1.00 – 1.10
Vapor Pressure (mm Hg.)	Melting Point
N/A	% Volatile (Volume) 70-80%
Vapor Density (Air = 1)	Evaporation Rate
>1	(Butyl Acetate = 1) > 1
Solubility in Water	
Miscible with water; insoluble in most petroleum solvents	
Appearance and Odor	
Milky white or pigmented liquid; characteristic latex order	
Section IV – Fire and Explosion Hazard Data	
Flash Point (Method Used)	Flammable Limitations
None	N/A
Extinguishing Media	
CO ₂ , dry chemical, foam	
Special Fire Fighting Procedures	
Use water spray to cool fire-exposed containers	

Unusual Fire and Explosion Hazards

Pressure may build up in closed containers that are exposed to fire or extreme high temperatures.

Section V – Reactivity Data

Stability	Unstable		Conditions to Avoid
	Stable	✓	None Known

Incompatibility (Materials to Avoid)

None known

Hazardous Decomposition or Byproducts

Under extreme heat product may form oxides of nitrogen and carbon

Hazardous Polymerization	May Occur		Conditions to Avoid
	Will Not Occur	✓	None Known

Emergency and First Aid Procedures: Eye contact: Flush with clean water for at least 15 minutes; seek medical attention. Ingestion: Give two glasses of water or milk to dilute. If irritation develops, seek medical attention. Skin contact: Wash affected area with soap and water. Inhalation: If vapors are inhaled, move individual to fresh air. If respiratory irritation develops, seek medica attention. Section VII – Precautions for Safe Handling and Use Steps to be taken in Case Material is Released or Spilled Dike spill. Absorb with inert material and collect for disposal. Do not allow material or washings to enter waterways. Waste Disposal Method Dispose of material in accordance with all applicable Federal, State, and Local regulations Precautions to be taken in Handling and Storing Read and Observe all precautions on the product label. Section VIII – Control Measures

Respiratory Protection (Specify Type)

Wear a NIOSH approved organic vapor respirator.

Ventilation Local Exhaust	Special
Provide adequate ventilation.	
Mechanical (general)	Other
Protective Gloves	Eye Protection
Chemical resistant gloves are recommended.	Goggles or safety glasses

Other Protective Clothing or Equipment

Wear long pants and shirt while applying product to protect skin from direct contact.

Work/Hygenic Practices: Wash hands thoroughly before eating, drinking, smoking or using the restroom.

The information contained herein is, to the best of Perma-Chink Systems, Inc. knowledge, accurate as of the data indicated. Since the information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, and since data made available subsequent to the date hereof may suggest modifications of the information, we do not assume responsibility for the results of its use. This information is furnished on the condition that the person receiving it shall make his own determination as to the suitability of the material for his particular purpose and on the condition that he assumes the risk of his use thereof.
