

To Whom it may concern,

I THOUGHT I'D DROP YOU A LINE ALONG WITH A PHOTOGRAPH OF OUR HOUSE AFTER USING YOUR PRODUCT. THREE YEARS AGO WE PURCHASED OUR 1933 LOG CABIN HOUSE HERE IN MIAMI, FLORIDA. AS YOU CAN IMAGINE THERE AREN'T MANY LOG CABINS IN THIS TOWN. THE HOUSE IS MADE OUT OF DADE COUNTY PINE AND THE CHINKING WAS A CEMENT TYPE SUBSTANCE. OVER THE YEARS THE CHINKING HAD SEPARATED FROM THE LOGS AND WATER COULD SEEP INSIDE, AS WE FOUND OUT WHEN HURRICANE IRENE PASSED IN OCT 1999. I WAS NOT LOOKING FORWARD TO PULLING ALL THE OLD CHINKING OUT AND REPLACING IT. I CALLED YOUR EASTERN DIVISION OFFICE IN JUNE TO FIND OUT ABOUT YOUR PRODUCTS. I WAS PLEASED TO FIND THAT I DIDN'T HAVE TO PULL ALL THE OLD CHINKING OUT, AND THAT YOUR ENERGYS EAL COULD SEAL THE HOUSE. THE PRODUCT WAS EASY TO WORK WITH, AND SEALED THE HOUSE LIKE NEW. I AM AN EXTREMELY SATISFIED CUSTOMER. WHAT A GREAT PRODUCT!

THANKS AGAIN
