

Log & Timber Home Professional Workshop

Exclusively Designed for Industry Professionals

 **San Antonio, Texas**
 **February 26–27, 2026**
 **Hotel Valencia Riverwalk**

Join Us in San Antonio!

The staff and management of **Perma-Chink Systems** are pleased to announce our upcoming **Log & Timber Professional Workshop**, taking place at the beautiful **Hotel Valencia Riverwalk**. This exclusive event is your opportunity to **learn, connect, and grow** with leaders in the log and timber home industry. Whether you're an experienced contractor or just getting started, this workshop will help you build the skills, strategies, and connections to take your business to the next level.

This Special 2-Day Workshop is Designed to Help You:

-  Increase your sales and close more leads
-  Convert prospects into loyal customers
-  Enhance client satisfaction
-  Strengthen your long-term business success

Workshop Highlights:

-  Keynote Speakers and Industry Experts
-  In-depth Product Training & Hands-On Demos
-  Business Skills & Profitability Sessions
-  Social Media and Marketing Insights
-  Group Discussions & Networking Opportunities
-  Equipment and Tools of the Trade
-  Certificate of Completion
